Master of Arts				European Studies			
Module title	Credit points	Frequency	Semester hours	Total workload	Teaching	Student work	Duration
Module 1 Mandatory module 152001010	10	every 2 <sup>nd</sup> sem. (Winter term)	5 weekly lecture hours	300 h	75 h	225 h	1 semester
Module title	European Law						
Qualification and expertise goals:	The initial aim of this module is to enable students to describe and elaborate on the main course contents allowing them to draw connections between the different topics in the field of EU law. Students will be able to summarise the most important decisions of the European Court of Justice, classify them from a dogmatic perspective and should be able to legally analyse exemplary facts toward relevant topics. This module will enable students to critically appreciate the current legislative and political scope of the EU and to evaluate future developmental steps of the EU - also within the historical dimension.
